DISCLAIMER:

This map was produced by Garfield County IT Department utilizing the ArcInfo Geographic Information System (GIS). The GIS and its components are designed as a source of reference for planning, zoning, mapping, and planning. The GIS is not a substitute for official government records maintained by the Planning Department, the County Clerk and Recorder Office, the Assessor's Office, or for any legal description information in the chain of title. In addition, the representation of geographic locations by the GIS may not be substituted for actual legal surveys. Always refer to the sources cited for the most current legal documentation utilized in the composition of this map.

The information contained herein is believed to be accurate and suitable for the limited uses set forth above. Garfield County makes no warranty as to the accuracy or suitability of any information contained herein for any other purposes. The user shall assume all risk and responsibility for any and all damages, including consequential damages, which may arise from the use or application of this information.
